Travelers	800-828-6312
United Concordia	800-866-8499

As a service to the community, we will continue to accept Denti-Cal insurance, despite its severe restrictions and nonideal disbursement. As always, for those Denti-Cal patients who do not meet the Orthodontic HLD (Handicapping Labio-lingual Deviation) Form requirements, we still extend a discounted fee for treatment.

As a general rule, we accept any PPO insurances, but no HMO insurances.
